**Address of property:** \_\_\_\_\_

(This property must be in PPL Electric Utilities service territory and tenant must be customer of record.)

This tenant petitions the owner of the property listed above to install the following item(s) on the same property.

---

---

---

---

The owner (landlord) of the property listed above consents to the alterations described above conditional on the following terms:

1. All applicable codes and permits will be applied to the installations. All relevant documents, drawings and specifications must be sent to the landlord before the proposed alterations are completed.
2. All alterations must be carried out by licensed and insured contractors with high quality materials appropriate for the job and to a high standard of workmanship.
3. The tenant must provide the landlord or representative with access to inspect the work. At least 24 hours' notice will be given for the inspection.
4. The tenant must pay for the proposed installation and any permanently installed materials must stay on the property after the tenant ends tenancy.
